

Summer 2020 Workshop Schedule

Workshop Title: Remote Teaching with Blackboard Collaborate

Workshop Registration: : [Complete the Pre-Registration Form](#)

Registration Deadline: **May 07, 2020**

This workshop is designed to give participants a solid foundation, enabling them to successfully deliver live, interactive Collaborate sessions. Participants will learn about the key features and core functions of the Collaborate user interface. By the end of this session, participants will be able to:

- How to access Blackboard Collaborate Ultra and create a session
- Understand the communication tools
- Utilize the white-board and display PowerPoint content (share content)
- How to share your screen (Application, Chrome Tab, or Entire Screen)
- Use the recording features
- How to access/share the links to recorded sessions

Webinar(s)	Date(s)	Session Type	Location	Time
Blackboard Collaborate	May 12, 2020	Online - Virtual	Blackboard Collaborate	10:00 am – 11:00 am EST
Blackboard Collaborate	May 13, 2020	Online - Virtual	Blackboard Collaborate	2:00 pm – 3:00 pm EST

Workshop Title: Blackboard Grade Center

Workshop Registration: : [Complete the Pre-Registration Form](#)

Registration Deadline: **May 07, 2020**

This workshop will give participants an in-depth experience with the Grade Center in Blackboard Learn 9.1. There will be interactive demonstrations of common tasks faculty perform in the Grade Center. By the end of this session, participants will be able to:

- Create and manage columns to organize and calculate grades
- Display a final grade as a percentage or letter so that students can monitor their progress
- Use a weighted grading system
- Customize the Grade Center

Workshop(s)	Date(s)	Session Type	Location	Time
Blackboard Grade Center	May 19, 2020	Online - Virtual	Blackboard Collaborate	10:00 am – 11:00 am EST
Blackboard Grade Center	May 27, 2020	Online - Virtual	Blackboard Collaborate	2:00 pm – 3:00 pm EST
